The Marion Luckers Kidney Foundation is a 501(c)(3) organization  
incorporated in the state of Pennsylvania.

**O**ur mission is to provide organ donor awareness and support to dialysis patients and families. The Marion Luckers Kidney Foundation sponsors fundraising events to help patients in the Philadelphia area directly affected by kidney disease to support non-medical expenses such as transportation to dialysis, utilities, housing and food.

In an effort to reduce the number of those impacted by kidney disease we focus on:

- Encouraging the need for kidney screening and other preventative measures
- Promoting kidney disease awareness and organ donation
- Supporting kidney disease research
